BIZpaye FAIR TRADE PRACTICE

POSITIVE BALANCE ACCOUNT

You Can Sell Either 50/50 or 100% Trade, The Choice Is Yours.

If your BIZpaye Account is in a Positive Balance, that is, you have not used your Interest Free Line of Credit, then your BIZpaye Account Status will automatically be set for you to sell your products/services at 50% cash + 50% BIZpaye Trade. If you wish to continue selling at 100% BIZpaye you can, you simply need to advise the BIZpaye Staff so we can make some changes to your account that will automatically over-ride this setting.

NEGATIVE BALANCE ACCOUNT

All Of Your Sales Must Be 100% Trade Only.

If your BIZpaye Account is in a Negative Balance the system will only permit you to Sell your products/services on 100% BIZpaye Trade until you have repaid what you have spent from your Interest Free Line of Credit. Once your BIZpaye Account is in a Positive Balance, the choice is yours

Special Note: Any Client caught avoiding the Negative Balance Rule will have their account immediately terminated and any outstanding amounts owed from your Line of Credit will become payable in cash under the Rules of the Trading Program by which you are legally agreeing to be bound by when you applied to become a BIZpaye Member.
